

Cordant Security Security Excellence Awards

2019

Security Excellence Awards - 2019

To recognise the service excellence we as a business deliver, there is to be an awards ceremony held in Summer 2019.

In light of that we are currently seeking nominations in the following categories –

Retail officer of the year

For excellence in the field of retail

Corporate officer of the year

For excellence in the field of corporate clients

Warehouse and distribution officer of the year

For excellence in the field of warehouse and distribution

Retail operations manager of the year

For excellence in the management of retail security

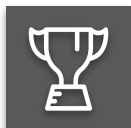

Corporate / warehouse and distribution site or operations manager of the year

For excellence in the management of corporate/distribution security

Support Services colleague of the year

Recognising the important role non front line colleagues play in our service delivery

Team of the year award

For any team throughout the business who have shown excellence

Customer service award

For outstanding customer service as recognised by the end client

Security Excellence Awards - 2019

Nomination Process

For all awards except the Customer Service Award, any employee of Cordant Security can nominate any colleague. Simply fill in the form attached.

Tips for a successful nomination

- Be precise – try and use specific examples / instances which demonstrate the nominees behaviours
- Use evidence – include photos / testimonials etc to bring the nomination to life
- Use a range of sources – input from clients, customers etc will add richness to the nomination
